5. Next you will create a new permanent password. Please pay attention to the required password criteria above the password section. (See below)

Change Password

This is the first time you have logged in or your password has been retrieved by the system. Please create a new password.

The password must contain characters from at least 3 of the following 4 rules:

1. Upper case letters (A,B,C,...Z).
2. Lower case letters (a,b,c,...z).
3. Westernized Arabic numerals (0,1,2,...9).
4. Non-alphanumeric ("special characters") such as punctuation symbols.

6. On the next screen you will link your utility account. To do this, put the Account Number which will be all digits preceding the last 2 digits after the '.00' (i.e. **123456789.00**). Then put the Tenant Number which is the last 2 digits (i.e. **98**). Your account number can be found on your printed Bill. Lastly, add the alias in the bottom field which is any name that will help you identify the account. Your Service Address is best if you are not sure what to use (i.e. **56 Allister Lane**). Once finished, clicked "**Submit**". If you have more than one service address that you would like to link, add next account's info. If all finished, click "**Cancel**".

Link Account to Profile

The account was successfully linked to your profile.

This page is for linking an account to your profile. Please enter Account Number, Tenant Number, and an Alias of your own choosing.

Once you have linked all desired accounts, click on "**Cancel**" to access the main Account Inquiry page.
